

# Akiba-Schechter Summer Camp 2012

## Why chose Akiba-Schechter for your child's summer program?

The Staff is made up of our very own **Akiba teachers**, who know your child and are educated professionals.

Consistency of the program for children - let's face it, **children don't like change**.

**Good old fashioned FUN!** - We continue our play-based curriculum and give children opportunities to explore, dig, paint, splash, read and create.

We set up our large playground as our very own **WATER PARK!** - Sprinklers. Water Tables. Wading Pools. Water Toys.

**SWIMMING** - children 4 and up go swimming 2 times per week at a nearby pool.

**Special Chugim** (activities) offered several times a week such as sports, drama, art, science, dance and much more!

In-house "field trips" for everyone to enjoy - **puppet and magic shows!**

**FIELD TRIPS** - for children 4 and up that are appropriate, close by and chosen by our teachers to help enhance the curriculum and have fun!

REGISTRATION MATERIAL AND INFORMATION WILL BE AVAILABLE IN FEBRUARY 2012.
